

AGRONOMY INTERN at Destination Geneva National

Join the fun, fast-paced team at Geneva National Resort & Club, home to 54 holes of legendary golf designed by icons Arnold Palmer, Gary Player and Lee Trevino in beautiful Lake Geneva, WI. As an Agronomy Intern, you will help oversee GN's meticulously manicured bent grass tees, fairways and greens as well as an expansive practice area including two ranges and three practice greens while working alongside experienced superintendents who become valuable mentors. *Ideal candidates will work at least five months during the season, April 1 to November 1. Apply at www.palomaresorts.com/careers.*

Agronomy Internship Responsibilities

- Daily course maintenance
- Turfgrass cultural programs
- Daily course set-up
- Routine calibration of spreaders and sprayers
- Irrigation operation and repairs
- Natural/native area management
- Application of pesticides and fertilizers
- Assisting in and managing various projects
- Cover all aspects of golf course management

Educational Requirements

Currently enrolled in Certificate, 2- or 4-year degree program or 2-plus years of golf course experience.

Applicants must be authorized to work in the US without requiring sponsorship now or in the future.

Why Destination Geneva National?

Specializing in the golf club lifestyle, Destination GN hosts 54 holes of signature golf by Palmer, Player and Trevino, award-winning dining and event venues, a lakeside driving range, sprawling semi-private Clubhouse with sweeping verandas, and sleek on-course executive suites and cottages. Tee up a career at Southeast Wisconsin's premier golf resort and set the stage for celebration.

All seasonal staff receive benefits including complimentary golf, discounts at dining facilities and Pro Shop, reduced greens fees for your foursome, special hotel rates for friends & family, monthly associate golf tournaments, summer sand volleyball league, and more. On-property housing is available to Agronomy Interns.
