

# Bayonne Golf club

Bayonne, NJ

BAYONNE GOLF CLUB  
*New York Harbor*

## Background

Bayonne Golf Club is one of the premiere golf clubs on the east coast. Located 4 Miles from Lower Manhattan, It offers one of New York City's best private golf experiences. Opened in 2006, Bayonne is a "true links" style of property mirroring what you would see in Scotland and Ireland and is a top 10 course in New Jersey. With this internship we are looking for a person with a strong work ethic who is willing to work alongside the assistant superintendents to give the members the best golf experience possible. Along with the daily jobs and responsibilities of an intern you will assist in different bunker renovations currently being completed on the property.

## Job Responsibilities

During your time at Bayonne Golf Club, we hope to achieve many of your goals you hope to accomplish during your internship. You will be included in all aspects of golf course maintenance including-

- Course/ Tournament setup
- Spreader/ Sprayer calibration
- Fertilizer/Pesticide application
- Water Management or Greens/Tees/Fairways and rough
- Mowing of all playing Surfaces/ Operation of all essential equipment
- Small Crew Management
- Irrigation and drainage repair and troubleshooting
- Hand watering/syringing in the afternoon

## Contact/ Application Instruction

Email all applications to Tom Woodward, Head Superintendent

twoodward@bayonnegolfclub.com

## Educational Requirements

- Currently enrolled or recently graduated from a turfgrass Management Program

## Benefits
