

Inverness Club

Golf Course Turf Team Position

History:

Located in Toledo, Ohio, the prestigious Inverness Club has cemented its place in professional golf history. With a rich history of hosting major tour events including the 1920, 1931, 1957 and 1979 U.S Opens as well as the 1986, 1993 PGA Championship and 2003 and 2011 U.S Senior Open. The Inverness Club is highly dedicated to providing the most elite playing surfaces possible for the best players in the world. The club recently hosted the 2019 U.S Junior Amateur and will be host to the 2021 Solheim Cup. Originally designed in 1903, Inverness was purchased on a unique undulated plot of land. Donald Ross was hired by the club in 1916 to construct a championship caliber golf course.

Intern/ Turf Graduate Mission:

Working with four-time major host and experienced leader, John Zimmers, Inverness is seeking highly motivated and determined interns and turf graduates. Amidst course preparations for the 2021 Solheim Cup all interns and graduates will be exposed to all facets of golf course maintenance on a day to day basis. Interns are expected to have a positive attitude, be prompt and on time in a professional manner and most importantly eager to learn.
