

CURRICULUM VITAE
(as of 12/31/2022)

- Name:** Leonard Marshall Lauriault
- Address:** New Mexico State University Rex E. Kirksey Agricultural Science Center
6502 Quay Rd. AM.5
Tucumcari, NM 88401
Telephone numbers: Voice: (575) 461-1620, FAX: (505) 461-1631
E-mail: lmlaur@ad.nmsu.edu
- Education:** M.S. in Crop Science, University of Kentucky, Lexington, KY. May 1989.
Thesis: The effect of thiamin supplementation on the ingestive behavior of beef cattle
grazing endophyte-infected tall fescue (*J. Anim. Sci.* 68(1989):1245-1253).

B.S. in Agriculture, Berea College, Berea, KY. May 1980.
- Employment Record:**
Forage Crop Management Scientist (since January 1997) and Superintendent of the Rex E. Kirksey Agricultural Science Center at Tucumcari (since July 2012; also, Research Coordinator since July 2022). College Professor, July 2009 to Present; College Associate Professor, July 2004 to June 2009; College Assistant Professor, January 2002 to June 2004; Agricultural Science Specialist, January 1997 to December 2001. New Mexico State University College of Agricultural, Consumer and Environmental Sciences Department of Plant and Environmental Sciences. Las Cruces, NM.
Research Specialist, Forage Cultivar Evaluationist. July 1990 to December 1996. University of Kentucky College of Agriculture Department of Agronomy, Lexington, KY.
Area Regulatory Specialist. November 1989 to July 1990. University of Kentucky College of Agriculture Division of Regulatory Services, Lexington, KY.
Principal Laboratory Technician, Forage Management and Utilization. October 1980 to November 1989. University of Kentucky College of Agriculture Department of Agronomy, Lexington, KY.
Teaching and Field Assistant, Soil and Plant Science Laboratory and Berea College Forest. February 1978 to May 1980. Berea College Labor Program. Berea College Department of Agriculture, Berea, KY.
- Awards and Honors:**
ACSESS Journals - Agronomy Journal, Invitation to serve on publications Peer Review Advisory Committee (December 6, 2022).
Quay County 4-H Program, Quay County 4-H Volunteer of the Year (December 4, 2022).
Crop, Forage & Turfgrass Management Outstanding Reviewer, American Society of Agronomy/Crop Science Society of America (March 1, 2021).
Charles Tharp Farms Distinguished Service Award, New Mexico State University College of Agricultural, Consumer and Environmental Sciences, 2014
Extension Advocate Award, New Mexico State University Extension Specialists Association, 2011
Editors' Citation for Excellence in Manuscript Review, American Society of Agronomy, 2006
Constancia por la exposicion de la Conferencia Magistral, XXV Congreso Nacional de Control Biológico, La Sociedad Mexicana de Control Biológico, November 15, 2002
Conservation Service Award, New Mexico Area Conservation Districts, Region V, 1998
Conservationist Award, Canadian River Soil and Water Conservation District, 1998

A. Paul Nestor Employee Creativity Award, Finalist, University of Kentucky, 1995

Professional Societies:

American Society of Agronomy, 2000 to present

American Forage and Grassland Council, 1990 to present, Certified Forage and Grassland Professional

Crop Science Society of America, 2005 to present, representative or alternate to Association of Official

Seed Certifying Agencies' National Alfalfa and Miscellaneous Legume Variety Review Board (2014 to 2021)

Society of Southwestern Entomologists, 2020 to present

Western Society of Crop Science, 2007 to present, Secretary/treasurer (2007-2009), President-Elect (2008-2009), President (2009-2011), Past-President (2011-2013)

New Mexico Hay Association, 1997 to present, Ex-officio Director

Publications and Presentations since coming to New Mexico State University (*Denotes corresponding author; underline denotes student):

Refereed Journal Articles from previous five years (36 publications from 1997-2017)

Darapuneni, M. K., **Lauriault, L. M.**, Martinez, G., Idowu, O. J., Djaman, K. (2022). Yield potential and water use efficiency of alternate rotation crops in the semiarid environment of southwestern USA.

Applied Engineering in Agriculture, 38(6), 845-851. <https://doi.org/10.13031/aea.15030>.

Umesh, M. R., Angadi, S., Begna, S., Gowda, P. H., Hagevoort, G. R., **Lauriault, L. M.**, Darapuneni, M. K. (in press). Intercropping and species interactions on physiological and light use characteristics of forage cereals-legumes combinations in semi-arid regions. *To appear in Field Crops Research*.

Lauriault, L. M., Marsalis, M. A., Cox, S. H., Duff, G. C. (2022). Seasonal mass, performance under grazing, and animal preference for irrigated winter cereal forages under continuous stocking in a semiarid, subtropical region. *MDPI Grasses*, 1(1), 1-11. 10.3390/grasses1010001.

Pratt, R. C., Grant, L., Velasco-Cruz, C., **Lauriault, L. M.** (2022). Field performance of selected and landrace tepary bean varieties in diverse Southwestern USA irrigated production environments. *Legume Science*, 4(157), 1-8. <http://doi.org/10.1002/leg3.157>.

Lauriault, L. M., Pietrasik, N., Darapuneni, M. K., Dominguez, A., Martinez, G. K. (2022). Comparison of surface water or treated municipal wastewater irrigation on alfalfa establishment, soil fertility, and soil microbial conditions. *MDPI Soil Systems*, 6(67), 1-15. <https://doi.org/10.3390/soilsystems6030067>.

Lauriault, L. M., Guldan, S. J., Popiel-Powers, F., Steiner, R. L., Martin, C. A., Falk, C. L., Petersen, M., May, T. (2022). Relay intercropping winter cover crop effects on spring forage potential of sweet maize stover and yearling cattle performance. *MDPI Animals Special Issue: Warm- and Cool-Season Annual Pastures for Growing Ruminants in Semiarid Regions*, 12(1923), 1-10. <https://doi.org/10.3390/ani12151923>.

Lauriault, L. M., Schmitz, L. H., Cox, S. H., Duff, G. C., Scholljegerdes, E. J. (2022). A comparison of native grass and triticale pastures during late winter for growing cattle in semiarid regions. *MDPI Agronomy Special Issue: Management of Grasslands - Forage Growth and Nutritive Composition, Livestock Grazing and Performance*, 12(545), 1-10. 10.3390/agronomy12030545.

Darapuneni, M. K., Idowu, O. J., Sarihan, B., Dubois, D. W., Grover, K., Sanogo, S., Djaman, K., **Lauriault, L. M.**, Omar, M., Dodla, S. (2021). Growth characteristics of summer cover crop grasses and their relation to soil aggregate stability and wind erosion control in arid Southwest. *ASABE Applied Engineering in Agriculture*, 37, 11023. <https://doi.org/10.13031/aea.13972>

Djaman, K., O'Neill, M. K., **Lauriault, L. M.**, Marsalis, M. A., Koudahe, K., Darapuneni, M. K. (2021). The dynamics of forage yield of different fall dormancy rating alfalfa cultivars in a semiarid climate.

- Agricultural Research/Springer Publishing, 10(1), 378-389.*
[https://link.springer.com/article/10.1007/s40003-020-00518-8.](https://link.springer.com/article/10.1007/s40003-020-00518-8)
- Kankarla, V., Shukla, M. K., Lauriault, L. M.*** (2021). A preliminary report on the influence of various saline irrigation waters on nutritive value upon establishment of alfalfa and triticale as representative forages. *East African Scholars Journal of Agricultural and Life Sciences, 4(9), 189-193.*
